

Blancco Mobile

Secure data erasure for smartphones and tablets

Facilitate the safe disposal, reuse or resale of your portable devices by permanently erasing all sensitive user data such as emails, contacts and photos.

Peace of mind with 100% secure erasure

Efficient streamlined erasure process

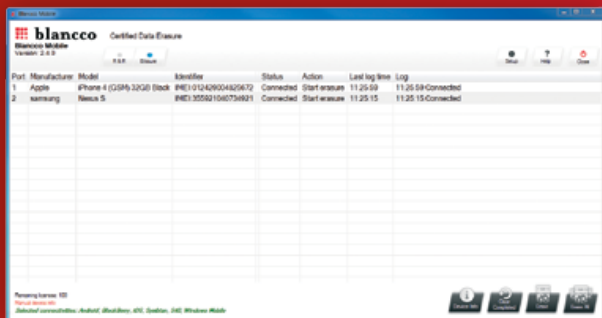

Convenience of one solution for all platforms

Cost-effectiveness through multiple erasures

Blancco Mobile

Restoring factory settings does not ensure that data is permanently destroyed, because your data can still be recovered later. Blancco Mobile securely and comprehensively erases your device's internal and external memory.

Secure & total erasure

Extensive global support

Fast, simple and simultaneous erasure of multiple devices

Comprehensive reports ensure a transparent audit trail

TECHNICAL SPECIFICATIONS

AUTOMATION & EFFICIENCY:

- Highly efficient process - a single operator can erase hundreds of smartphones per day
- Simultaneous erasure of up to 20 devices
- Fully compatible with Blancco Management Console to facilitate a complete asset disposal process
